Edición e colaboración

The screenshot displays a web-based collaborative text editor. At the top, a toolbar includes a 'Share' button, a 'Format' dropdown menu, and icons for bold (B), italic (I), underline (U), and strikethrough (ABC). The font is set to 'Liberation Serif' and the size to '12'. A 'Default Style' dropdown and a zoom slider are also present, followed by a 'Close' button. The main editing area contains two lines of text. The first line, 'I am admin user check the color of my cursor', is associated with the 'admin' user, indicated by a blue vertical bar on the left and an orange square with a white 'A' on the right. The second line, 'Hey there, I am a test user here.', is associated with the 'test_user' user, indicated by a light blue vertical bar on the left and a green square with a white 'T' on the right. The user list on the right also shows '(guest)' below 'test_user'.
